VOLUNTARY ANNOUNCEMENT
LARGE ORDER FOR SOPRANO TITANIUM

This announcement is made by Sisram Medical Ltd (the “**Company**”) on a voluntary basis.

The board of directors of the Company (the “**Board**”) is pleased to announce that on 7 December 2021, Alma Lasers Ltd., a wholly-owned subsidiary of the Company, has won a large order with a leading fast-growing Japanese aesthetic clinic chain for over 100 Soprano Titanium in Japan.

Soprano Titanium, our hair removal platform, was first globally launched in 2019. It redefines the gold formula to laser hair removal, and combines four superior and proprietary technologies including 3D, Quattro™, ICE Plus™ and Smart Clinic to provide an exceptional treatment experience and enhanced productivity to all stakeholders. Soprano Titanium is further enhanced with dual connectors which enable sequential usage of two separate applicators and also simplifies and shortens treatment procedures.

The Company believes that such large order serves as the first phase of a strategic and long-term collaboration with the leading fast-growing aesthetic clinic chain in Japan and expects that the Company’s medical aesthetics business will continue to grow in the Asia-Pacific market.
